This indemnification obligation shall survive the termination or expiration of the registration agreement.
2. Each registered name holder agrees to comply with each of the following requirements:
  - a. ICANN standards, policies, procedures, and practices for which Afiliás has monitoring responsibility in accordance with the registry agreement between Afiliás and ICANN dated as of 8 December 2006 for the operation of the .info TLD, as amended from time to time (the “**Registry Agreement**”) or any other arrangement with ICANN; and
  - b. operational standards, policies, procedures, and practices for the .info TLD established from time to time by Afiliás in a non-arbitrary manner and applicable to all registrars, including affiliates of Afiliás, and consistent with ICANN’s standards, policies, procedures, and practices and Afiliás’ Registry Agreement with ICANN. Additional or revised Afiliás operational standards, policies, procedures, and practices for the .info TLD shall be effective upon thirty days notice to Afiliás to the registrar. Afiliás shall take reasonable steps to protect personal data from loss, misuse, unauthorized disclosure, alteration or destruction. Afiliás shall not use or authorize the use of personal data in a way that is incompatible with the notice provided to registrars.
